The mission of Kaleidoscope is to strengthen the nonprofit sector through collaborating and promoting cultural, educational and recreational programs that enhance the quality of life in the greater Lowell Community.

The Kaleidoscope of Flavors steering committee is excited to announce a new event to our community and other non-profits. The purpose of organizing this new event “Kaleidoscope of Flavors” is to help the community learn about our non-profit organizations. We have received overwhelming support from a good number of our organizations that participate with our Kaleidoscope group and want to extend the invitation to all local non-profit organizations to participate!

Our goal is to have fun activities, food, displays and information at each organization’s location. Community members will visit the sites and see first hand what each participating organization is all about. This event is geared toward persons of all ages! Community Members will use a punch card as they visit each location to have a chance to win a Grand Prize Basket filled with goodies and gift certificates. We anticipate community members will see things like candle making, painting or crafts, yoga and health demonstrations and maybe even a Chef preparing garden vegetables into a fantastic dish!

The group Kaleidoscope is a consortium of community resources working together. It is our hope that you will find this “Kaleidoscope of Flavors” event, quarterly printed calendar & online calendar helpful as you explore new ways to learn, grow, and enjoy yourself through the variety of resources available within the greater Lowell community. **To view the entire Greater Lowell Community Calendar—visit www.discoverlowell.org.**
