

The Ohio Chapter of the Gerontological Advanced Practice Nurses Association (GAPNA)

Third Annual Statewide Continuing Education Day

Building Skills and Advancing Excellence in Geriatric Care

Saturday, May 21, 2011

Quest Conference Center

8405 Pulsar Place

Columbus, Ohio 43240

We are excited to announce that the Ohio Chapter of GAPNA will be hosting its third annual Continuing Education Day. We have been working hard to organize a special day, emphasizing the care of older adults provided by advanced practice nurses in Ohio.

This day will offer **7 accredited continuing education contact hours, including 3 hours of pharmacology**. Some topics that will be addressed are medico-legal issues when prescribing, transitional care, geriatric oncology and APN legislative updates. And, back by popular demand...Stephanie Odom-Darling to present vascular ulcers and treatments.

Registration will begin at 7:30am, and the program will run from 8:00am to 5:30pm. Breakfast, lunch and a snack will be provided.

Tuition is inexpensive, so please join us for this exciting day to learn and network with others who care for older adults in Ohio.

Attached is a registration form that you must complete to attend. Or, visit <https://www.gapna.org/chapters/ohio.html> for more information.

If you have any questions or concerns, please contact me at AliciaWolfGNP@yahoo.com.

We hope to see you there!

Alicia Wolf, GNP
