

**WEST TECH HIGH SCHOOL 100 YEARS OLD**

By Bonnie Dangler, 1/64

The West Tech Alumni Association is planning to make 2012 a tribute to the "100 year legacy of West Tech High School" by reaching out to alumni everywhere asking them to spread the word via email, Facebook, Twitter, class websites, newsletters, newspapers, etc. We hope you will join in the excitement and tell your classmates and friends. An Open House at West Tech is scheduled from July 17 through July 21. Please take a few minutes to review the daily schedule and make plans to attend any or all days. We would appreciate hearing from you so that we can learn how many alumni and friends to expect. I am very excited to be the President of the WTAA as the celebration begins. I remember the 50th anniversary of our great school and was honored to be a student participating in the event in 1962. The event will have something for everyone so you can choose what you are interested in and how to plan with your fellow alumni when you will be attending to meet them at Lincoln yet again. We are hoping for many alumni, family and friends to return to the halls of Dear Old West Tech to celebrate the 100 year legacy of our great school. Please fill out the form below and return it to us at your earliest convenience as the information will help us with our planning.
